Re: Refuse Collection in Wasatch County

To Whom It May Concern:

Refuse collection in Wasatch County is provided by Wasatch County Solid Waste Disposal District. Our automated system collects residential size containers with the side load truck. The commercial 4yd, 6yd and 8yd front load dumpsters are collected using our front load truck.

All residents of Wasatch County are required to have collection service. A setup fee must be paid at the time a building permit is issued.

Before you design an enclosure or pad for your garbage collection, contact the Solid Waste District at the Wasatch County Public Works Department, 1891 West 3000 South, P.O. Box 69, Heber City, Utah 84032 (435) 654-1661.
