BOND RELEASE or REDUCTION REQUEST

Engineering Permit #: _____

The Project Location: _____

Subdivision or Development: _____

Reason for Release or Reduction: _____

Type of Bond: Performance or Warranty

Letter of Credit Expiration Date (if any): _____ Original Bond Amount: _____

Original Estimated Completion Date: _____ Current Estimated Completion Date: _____

New Bond Amount Requested: _____

We _____, request the release or reduction of the above bond amount.

For performance bond reductions or releases, please attach a spreadsheet showing original bond amounts, and percent completion for the different line items. If a letter of credit that expires was used for the performance bond, the letter of credit must expire at least one year after the current estimated completion date. Under Code, two reductions may be processed for free for each bond. After that, each application must be accompanied by a \$200 fee. WCC 16.27.21(E)
