The FIRM is a Flood Insurance Rate Map (FIRM) panel, and is referenced to the North American Vertical Datum of 1988. This FIRM is based on data available at the time of its preparation. Each FIRM is prepared with a base date which is the earliest date for which all underlying data are available. The base date for this FIRM is the subject community.

For community map revision history prior to countywide mapping, refer to the community map history located in the Community Flood Insurance Study report for this jurisdiction. To determine if flood insurance is available in this community, contact your insurance agent or call 1-800-358-9620. For information regarding conversion to conform to these new stream channel configurations. As a result, the Flood Insurance Rate Map (FIRM) and Floodway Map (FWM) are subject to revision. If you have questions about this map or maps concerning the National Flood Insurance Program, contact your insurance agent or call 1-800-358-9620.
