NOTES TO USERS

To obtain current elevation information in areas shown on Flood Insurance Rate Maps (FIRMs), contact the Office of Flood Insurance Administration, U.S. Department of Agriculture, Federal Emergency Management Agency, 1411 M Street NW, Washington, D.C. 20472-3399; telephone (202) 260-6970. If no office exists in the subject community, contact the nearest office of the U.S. Geological Survey or the National Oceanic and Atmospheric Administration. Elevations shown on the FIRM may be rounded whole-foot elevations. These BFEs are intended for flood insurance rating purposes and do not imply or provide flood control or protection to the public.
