Tips to Protect Yourself from Identity Theft

1. Be sure all of your financial institutions have your current address & contact information.
2. Review all financial statements carefully & within a few days of receiving them so you can report any issues or errors immediately.
3. If using a debit card, it’s wise to use automated phone systems weekly at your bank to check transaction history & monitor accounts.
4. Check bank accounts & credit card accounts frequently online for accuracy and report any fraudulent or suspicious activity immediately!
5. Create strong passwords & PIN numbers; then keep all personal and private information in a secure location.
6. Consider freezing your credit with the 3 major credit bureaus, so that someone cannot open an account in your name. A new law makes this process free with Experian (1-888-397-3742), Equifax (1-800-685-1111), & TransUnion (1-888-909-8872).
7. Never give out or confirm personal information over the phone, via email or on a website until you’ve checked out whoever is asking for it. Do not trust a name, phone number, or email address just because it seems to be connected with the government. Scammers use official sounding names, fake caller ID or email address information to make you trust them. The government normally contacts people by postal mail and your social security number isn’t suspended, EVER!
8. Contact government agencies or any agency you do business with directly, using telephone numbers or website addresses you know to be legitimate. For example SSA is 1-800-772-1213.

To all our Seniors...just a little info from the kitchen. I hope March just keeps on marching by if it continues to snow and be cold. Actually March is a good month.

On March 5th, we will be celebrating Mardi Gras-Fat Tuesday. The LeBlanc’s (Ken and Mary) will be cooking our meal. Come and enjoy the fun and entertainment. Make sure and sign up at least the day before, because we won’t be able to add anyone on the day of the meal.

Daylight Savings begins at 2:00 A.M. on the 10th. Many of us would like to keep one time or the other. Oh well.

Green, green, green. March 17th, Saint Patrick’s Day. We will be celebrating this holiday on March 14th. Come and enjoy corned beef and cabbage with us. Don’t forget to wear your green on this day here at the center, unless you want to get pinched. May the wind at your back not be from the cabbage and corned beef that you ate today!

Please remember to keep drinking your water. Until next time, take care...Cora Briggs

March is the last month to utilize two Medicare Enrollment Periods. The first is the General Enrollment Period, This enrollment period is for those who have not previously enrolled in Medicare and who need to enroll. Those who enroll during this period may have Late Enrollment Penalties (LEPs) for not enrolling when they were first eligible for Medicare, and the coverage will not start until July. Those who have had active employer coverage previously may not have an LEP. The second enrollment is for those who are currently on a Medicare Advantage plan who (1) want to change back to Original Medicare or (2) need to change to another Medicare Advantage plan. This enrollment period is not for those on Original Medicare. If you have questions about either of these enrollment periods, please call Dawn Loper, SHIP Medicare Counselor at Mountainland Association of Governments: 801-229-3819. Dawn will be at the Wasatch Senior Center on Tuesday, March 12th. Please call for an appointment.

There are always many scams going around. Never give out your personal information over the phone. Medicare and the Social Security Administration will **never** call you and request personal information. You can go to the Federal Trade Commission website (www.ftc.gov) to read about the latest scams. For those who are struggling with the cost of prescription medications, please call to see if you qualify for a Government program to help with those costs. Again, you can call Dawn Loper at 801-229-3819. Remember to guard your Medicare card!
