SPOTLIGHT

IngeLis (Lisa) Djorsing

I am Lisa, my given name is IngeLis Djorsing. I was born in Copenhagen, Denmark. My parents were poor but we managed. It was hard when the war came to Denmark from 1940 to 1945 we had very little food. Sometimes we had to stand in line for a bread. I started to work at 14 years old. Later I met my husband to be. As it turned out, we went to the same school and had the same teacher, but I never knew him there. We got married and had a daughter. We could not get a new apartment so we decided to go to Canada. We stayed there for 7 years. Our daughter was born there. Then we came to the United States, first Virginia then California and then Utah.

My husband’s parents gave him two American names, I guess that meant we were supposed to be here. I love it here and love coming to lunch and going places. Thank you all for what you do. I wish you blessings. Love Lisa.

As I walk each day in the early morning hours (5:30 a.m.) I spend time not only planning but also reflecting and contemplating things like our childhood and adolescent years now long behind us. Like some of you, I had a childhood filled with love, joy and safety. Those were wonderful years. I think of them often. I am grateful to my parents for that.

In the late 1940’s and 1950’s, growing up in a small southern Utah farming community, I never gave thought what I would be doing in my “senior” years -- well into the 21st Century, now nearly one quarter gone.

Recently my wife and I had the pleasure of “tending” (for nearly a week) one of our 18-month old grandsons. What a treat that was! On one of those days, while he played on the floor, I sat watching him thinking what his life might be like when he gets to be a “senior” like we are now.

Clearly, the “circle of life” is an amazing thing! The old adage, “Make the very best of every day” rings true. In many ways, doesn’t it seem like just yesterday that we were “little people” with really no “cares” in the world?

I love to watch the young mothers and their little ones when they have their weekly “learning hours” here in our Dining Room/Auditorium - as part of Wasatch County’s Library learning program for children. The curiosity and energy of these children inspire me. These “Rising Generations”, soon to be “seniors” -- faster than they now realize -- are growing and experiencing things now to be used for their later lives.

My wish to all who read this is to enjoy every minute of every day and ponder the wonders of life and living.

Ponzi Scheme Protection

Scam and Fraud Alerts

As Financial Markets fluctuate, Fraud Risk Grows! Here’s how to protect yourself:

**Do your Homework!** Only 20% of investors ever do a background check on brokers or products before buying. Some good starting places are the SEC’s [investor.gov](http://investor.gov) (800-732-0330) & the Financial Industry Regulatory Authority’s [brokercheck.finra.org](http://brokercheck.finra.org) (800-289-9999).

**Look at the Investor or Firm!** Check out the SEC’s EDGAR database for free corporate information, the fee-based [pacer.gov](http://pacer.gov) to search federal lawsuits & bankruptcies, or your local courthouse for scams by area predators.

**Run from Red Flags!** Language like “risk-free,” “guaranteed returns” & “everyone is doing it” should scare you off.

**Be Careful even in “safe” places!** Churches, country clubs, & community organizations (yes, even our Senior Center) are happy hunting grounds for those pitching Ponzi schemes. Rely on research over referrals from friends & relatives you can trust from past experience.

**Don’t be fooled by Credentials!** Those letters after the names of brokers & investment counselors can be meaningless. Some are outright fakes, & some are gained by paying a fee or taking a short class.

**Don’t be Starstruck!** Celebrity endorsements don’t mean an investment is legitimate. If you have questions or need to file a complaint, call the SEC **@ 800-732-0330** or reach out to FINRA toll free **@ 844-57-HELP**S, or North American Securities Administrators Association **@ 202-737-0900**. If scammed, alert your local police, district attorney & state attorney general.

**You are at greater risk now more than ever** due to a recent 5th U.S. Circuit Court of Appeals ruling that the Labor Dept. exceeded its authority when it issued the “Fiduciary Rule.” This rule required all financial advisors to put their clients’ financial goals ahead of their own when offering guidance about retirement investments. The appeals court decision effectively terminates the Labor Dept’s rule. Now advisors can encourage you to invest in things which give the advisor more income rather than benefit to you.
## TRIPS & TOURS

To register call Marcia or Tiffany @ 435-654-4920 (by the deadline) or add your name to the signup sheet at the center. Payment must be made by the **Registration Deadline**.

Current paid members will receive first consideration if space is limited. Should there be a waiting list, anyone who has not paid by the registration date will be removed from the list and the spot will be opened up to others on the waiting list. In the event a trip time/date needs to change we will let you know ASAP.

*NOTE: Unless otherwise noted you will be responsible to pay for your own meals while on day trips and/or tours.*

To all our Seniors... just a little info from the kitchen. Bool October is here. Fun times ahead. We are going on the Heber Valley Rail Road "Pumpkin/Wizard" train on the 29th and meeting for pizza at the Center afterwards. Make sure and sign up early, so you’re not left behind. We will be having our Halloween party on the 30th. Come and have fun... wear your Halloween costume.

International Day for the Elderly is always celebrated on October 1st. It is dedicated to honor, respect and care for the world’s elderly. In 1990, the United Nations General Assembly designated October 1st as the “International Day for the Elderly”. The holiday is the result of the UN World Assembly on Aging which was formed in 1982 to explore and tend to the needs of the elderly in the world. Most of us will never be elderly.

In fourteen hundred ninety-two, Columbus sailed the ocean blue. He led his three ships - the Nina, the Pinta and the Santa Maria - out of the Spanish port of Palos on August 3, 1492. Columbus Day is a federal U.S. holiday that commemorates the voyage and landing of Italian explorer Christopher Columbus in the New World on October 12, 1492. It is observed on the second Monday in October. This means that the date changes each year. We will be closed on October 8th.

Halloween is the season for ghosts and goblins to take to the streets, asking for candy and scaring one another silly. Spooky stories are told around fires, scary movies appear in theaters and pumpkins are carved into jack-o-lanterns. Come our Halloween party dressed in your favorite costume on the 30th. Keep drinking your water. Until next time, take care... Cora Briggs

Health Benefits for Senior Volunteers

Volunteering does more than buoy up the community- it is good for you, too! There are actual health benefits tied to volunteering. Here are some of our favorites:

- Contributes to a longer life. One report says that people who volunteer over 100 hours a year are some of the healthiest people in the U.S.
- Reduced memory loss. Studies from the Journal of Gerontology indicate that social services improves elasticity in the brain. As volunteers age, they may be able to maintain the connections in their brains that often break down in Alzheimer's patients.
- Improves mental health. Volunteers report feeling happier, less stressed and more optimistic. Who wouldn't want that? Volunteering in your community comes in all shapes and sizes, to formal and informal service opportunities.

Here are some of our favorites:

- Meals on Wheels is always looking for volunteers to donate one hour, once a week to deliver meals to our homebound senior neighbors. Call 435-654-4920
- RSVP connects volunteers age 55+ to opportunities in the community. Use your skills and experience to enrich other lives while enriching yours. Call 801-229-3820.
- Become a friendly caller. Friendly Callers program uses volunteers who call and befriend those in need of companionship. This is the perfect opportunity to volunteer from home. Call 801-229-3820.

Exchange Day at the Senior Center

1st Tuesday and Thursday of each month:

“Exchange” Table. Tuesday, Oct. 2 & Thursday, Oct. 4. Bring gently used items that you no longer need for someone else to use (Clothing, small household items, etc.). Take items that you can use. It is all free exchange. Items will be available from Tuesday morning to Thursday afternoon at which time all items remaining will be donated to the thrift store.
Remember: “What is one person’s junk is another person’s treasure.”

Medicare Moment

By the end of September everyone on a Medicare Part D plan or a Medicare Advantage plan should have received an Annual Notice of Change (ANOC) from your plan. It will detail all of your changes for 2019. This is a valuable tool to help you decide if you want to change your plan during the Open Enrollment October 15-December 7th. The 2019 plans will be available on the Medicare.gov website beginning October 1st. At this time you will be able to compare your current plan premiums, deductibles, etc. with those costs in 2019. If you are happy with your plan, you don’t have to do anything, and your current plan will roll over into 2019.

We are still expecting our new Medicare cards in the mail soon. If Medicare has your correct address the card will come to that address. If you have moved recently you might need to contact the Social Security office to update your address. You don’t need to do anything or pay anyone to get your new card. If someone claiming to be from Medicare calls you and requests your Social Security number or any other personal information, that’s a scam. Hang up and call Medicare at 1-800-633-4227 to report the incident.

Dawn Loper will be at the Wasatch Senior Center on Tuesday, October 9th to meet with anyone needing help with Medicare. It will not be possible to sign up for a new plan at that time, but the plan changes can be reviewed. Call 801-229-3819 to schedule an appointment. Dawn Loper and Bonnie Lewis will be at the Senior Center from 9-3 on November 13 to help those who want to review or change their plans. Please call Dawn to schedule for that day.

There is a Federal subsidy available to help with prescription drug costs for those who meet the income and asset levels. The Extra Help assists with costs for premiums, deductibles, and co-payments. There are brochures available at the Senior Center, or call Dawn to see if you might qualify, and to receive enrollment assistance. It is also time for the annual flu vaccination. This vaccination is a covered benefit for all those on Medicare. Consult your "Medicare and You" book for a full list of preventative services offered through Medicare. Be vigilant and "Guard your Card" and all of your personal information. Dawn Loper is an employee of Mountainland Association of Governments, 586 E. 800 North, Orem, UT, 84057.
